**\*\* In the name of the beneficent, forgiving, all-loving Ahura-Mazda, do I start this prayer. Good health is essential to longevity. May my prayer be accepted ! May my wish be fulfilled! May the religion of Zarathushtra prosper ! Amen ! O Ahura-Mazda! May the Head of the State and all his subjects [Anjuman] and with all his/her progeny live for a thousand years, full of joy and health. Amen! A thousand blessing on them! May the year be auspicious and the day memorable !**

**May you be blessed with good health, with righteousness and with all that is best ! Amen ! Twice Amen ! May your desires be as righteous as those of the Yezds, and the Ameshaspentas!**
